About Us

What began as a trading company in 2007, is now a well-developed manufacturing facility of eye care products comprising eye glasses, safety glasses, ocular implants, diagnostics tools, and vision testing equipment. The company has its presence in 8 countries, and exports its products to over 30 countries.

The plants, spread over 71000 sft, are equipped with a class 10k cleanroom, an injection moulding unit, 3D printing, and an RD facility.

Akriti hold the patents and copyrights for several eye care products developed in-house, some being used in clinical trials in various institutions across India.

Catering to both, the private and government segments in India, Akriti is proud to be part of projects like the Dr. YSR Kanti Velugu in the state of Andhra Pradesh, India, which provides comprehensive and sustainable eye care for all its people.

eyewear for everyone...

Manufacturer of Eyewear Products

Frames: Akriti manufactures a wide range of eye wear frames to suit every pocket and style. Durable polymer, copolymer and polycarbonates are used to create light weight, durable and allergy free frames that appeal aesthetically. These are available in various options such as gloss, matt, rubber finish, single shade, dual shades, multi shades, and with and without springs.

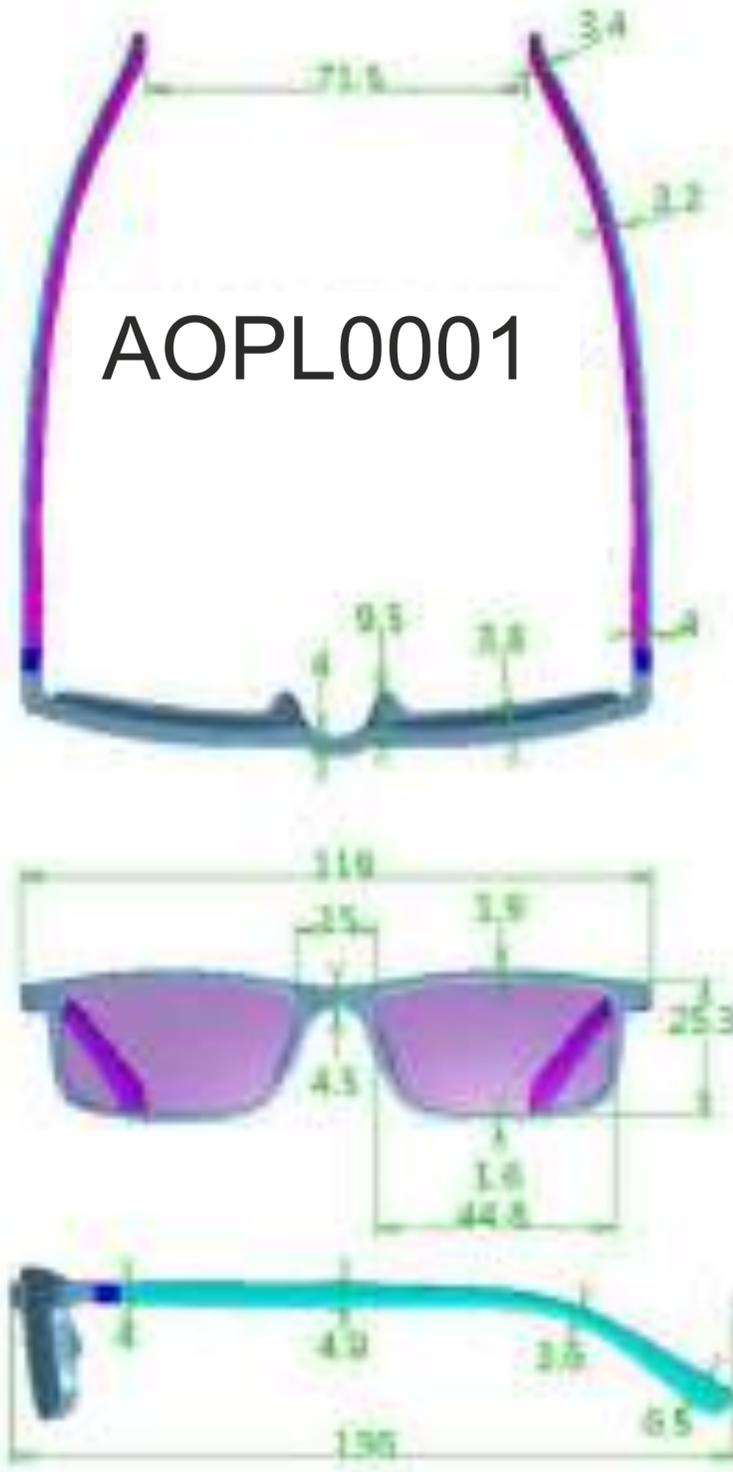

Reading Glasses: For presbyopic people, Akriti has single-piece readymade reading glasses under the brand name "I-Read". Trendy and comfortable, these are available in the power range +1.00 to +3.00 D in 0.25 steps. These come in matt and gloss finish, in single and dual shades. The colour can be customised, and the customer's name printed on the frame.

Safety Eyewear: This consists of single-piece moulded safety glasses, of zero power. Promoted under the brand name "I-Safe", these too, are available in single and dual shades, and are meant for industrial use, night vision, and for post surgical usage, or after the administration of mydriatic eye drops.

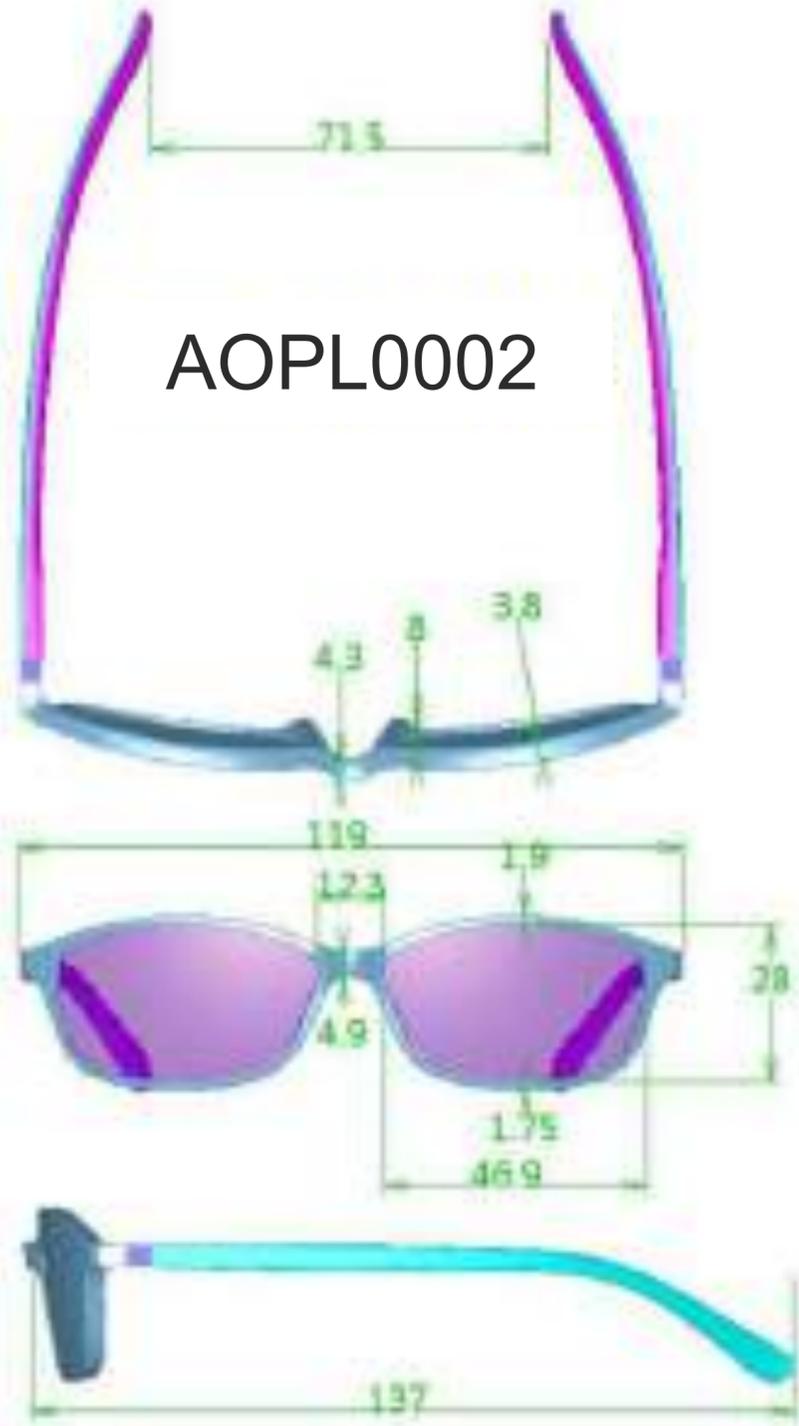

Spectacle Box: Available under the brand name "I Box", these high quality boxes are meant to store spectacles when not in use. Foam pads on the inside of each side of the box ensure protection. These boxes can be customized in terms of colour, glossy or matt, with the user's name printed on them.
